Brief History

The formal consecration of the Grand Lodge of Cyprus took place in Nicosia on October 8th, 2006 with co-founders, the Grand Master of the Grand Lodge of Greece, Bro. Spyridon Paizis, the Grand Master of the Grand Lodge of Pennsylvania, USA, Bro. Ronald Aungst Sr. and the Grand Master of the Grand Lodge of Austria, Bro. Michael Krauss.

Despite the short 12-year period since its consecration, the Grand Lodge of Cyprus has documented evidence which places its Masonic presence as far back as the latter part of the 19th century – further attested by the 100th Anniversary celebrations of Kimon Lodge No.1 which operates/works under the jurisdiction of the Grand Lodge of Cyprus.

The Grand Lodge of Cyprus is recognized by more than 160 Grand Lodges world-wide and is acknowledged as the legal entity of freemasonry in its jurisdiction, that of the Republic of Cyprus, forever safeguarding the world principals of masonry with faith in God, hope in immortality and charity to all mankind.
